Declaration and Submission:

I, the parent / carer understand:

- That the entitlement must be free at the point of delivery and that I cannot be charged for this in advance.
- That I am entitled to claim for no more than the maximum number of funded hours for each period across a maximum of 2 providers and that any hours my child attends over this will be charged to me by the childcare provider(s).
- Optional additional services such as meals, snacks, drinks, trips and extra activities such as music, dance etc., are not covered by the FEEE and the provider can make additional charges. It is my responsibility to ask whether charges apply before using the additional services and I will have to pay fees for these services if I want to receive them.
- That I cannot change provider(s) within one term of this agreement, unless the reason for it is covered by the one of the circumstances detailed in the guidance notes of this form and I have advised the childcare provider and the Local Authority.
- That my child will be regularly attending the nursery education hours as indicated above and that if my child is attending more than one provider; all providers and the total number of hours I am looking to claim at each provider have been listed on this form.
- That if I have given any false information on this agreement, I may be asked to reimburse the provider.
- That I have shown the provider proof of my child's current address and date of birth.
- That if I opt to access the funding on a stretched offer, for the hours to remain the same each week, if I choose to change my hours or switch to term time, I may risk using all my entitlement before the end of the 3rd term. This could mean I may have to pay for any hours over and above the entitlement.
- That if I choose to send my child to a school run nursery/pre-school within the first 4 weeks of the school term that my childcare provider may charge me for the hours that my child attended with them from the beginning of the term.
- When my child starts reception class, I am not able to claim funding at any other provider if the school has a staggered start date.
- That I have read and fully understood the guidance for parents/carers completing the agreement form.

PLEASE DO NOT RETURN THIS PAGE TO YOUR PROVIDER WITH THE PARENT/CARER AGREEMENT FORM

IT IS FOR INFORMATION TO PARENTS/CARERS ONLY

This parent/carer agreement form collects information to assess which funding you are entitled to including 15 Hours 2-year-old funding under government support and what is also known as disadvantaged 2-year-old funding, 2-year-old funding for working parents/carers, Early Years Pupil Premium and Disability Access fund. This funding agreement should be reviewed and/or updated each time the child's circumstances change or if they are eligible for a new early education and childcare Entitlement.

2-year-old funding for families in receipt of additional support:

Criteria for this funding is shown on this webpage:

https://www.centralbedfordshire.gov.uk/info/315/help_with_childcare_costs/1757/funded_childcare_for_2_year_olds

Parents/carers must apply for the funding before they can take up a place. If successful, parents/carers will be given an EY voucher code. Parents/carers must attach a copy of this code to the parent/carer agreement form, which usually comes in the form of an email or letter to their childcare provider. If a parent/carer receives a code from another local authority, they can provide this proof instead.

The provider will upload the parent/carer agreement and a copy of the email or letter proof of eligibility onto the secure system to be sent to Central Bedfordshire council.

2-year-old funding for working parents/carers:

Parents/carers of 2-year-olds will need to meet the criteria in order to be eligible for funded childcare for working parents/carers. Parents/carers need to visit www.childcarechoices.gov.uk to check their eligibility and to apply for the funding. Parents/carers will be notified through their childcare choices account if they are entitled to a 15 hours place and issued with an 11-digit code, which will include a date for reconfirmation. Parents/carers must keep their code valid by the dates HMRC set. Codes usually start with 500..... Some parents/carers may have codes that start with 400 or 114. Parents/carers need to present the code to a provider who is offering some, or all the 15 hours, along with their National Insurance number. The provider will have access to undertake their own eligibility check via a secure online portal and will add the details to the portal and to the school census (if applicable). The provider will upload the parent/carer agreement onto the secure system to be sent to Central Bedfordshire council.

Setting and Attendance Details:

You need to agree and complete this agreement form with each setting your child attends for their early education entitlement of 15 per week in order to ensure that funding is paid fairly between them. Your child can attend a maximum of two providers in a single day and if your child attends up to two settings the funding will split fairly between the settings.

Early Years Pupil Premium:

The Early years Pupil Premium (EYPP) is an additional sum of money paid to childcare providers for children of families who meet certain criteria, please see the following web address:

https://www.centralbedfordshire.gov.uk/info/315/help_with_childcare_costs/1760/early_years_pupil_premium

This funding will be used to enhance the quality of their early years' experience by improving the teaching and learning facilities and resources with the aim of impacting positively on your child's progress and development. For more information please speak to your childcare provider. If you believe that your child may qualify for the EYPP please ensure your details are provided on the parent/carer agreement form under '**Early Years Pupil Premium (EYPP) and/or childcare for working parents/carers**' to enable the local authority to confirm eligibility.

Disability Access Fund:

Two-year-old children who are in receipt of child disability living allowance and are receiving funded childcare are eligible for the Disability Access Fund (DAF). DAF is paid to the child's early years setting as a fixed annual rate of £938 per eligible child, if you are splitting hours with different settings it is important that you nominate the setting you wish to receive this fund on the parent/carer agreement form and attach a copy of your child's disability living allowance letter from DWP to the parent/carer agreement form.

Continued onto next page...

- **Your child is entitled to a maximum of 570 hours over 38 weeks of the year (term time).** The maximum Nursery Education Funding a parent/carer can claim per week for each child is 15 hours. If you wish to claim the maximum 15 hours, you can do this over no more than 38 weeks of the year, which equals 570 hours in total. You can claim a maximum of 10 hours on one day. The minimum is 1 hour. If you use your funded nursery education hours over 2 days or more, you can claim the maximum of 15 hours per week. With the agreement of your childcare provider, you can stretch your 570 hours over more than 38 weeks per year, in accordance to the funding periods we set, however over the year you will not receive more than 570 hours.
- Your child can attend up to two providers in order to receive their funded entitlement. Please discuss with your providers how many hours you wish to claim with each provider and record this on the parent/carer agreement. **Please note if a claim is submitted for more than one provider and the total hours claimed amount to more than the maximum funded entitlement for the period, the local authority will contact all providers regarding the over claim of funding and a decision will need to be taken as to where the funding will be allocated. If your child attends for more than the maximum funded hours for each period, you will have to pay the provider/ providers for the additional hours.**
- You should only claim for the number of hours you know your child will be **regularly** attending and no more. **You are not required to deduct hours for holidays and short absences.**
- **Please state on the parent/carer agreement form whether your child is attending another provider and the total number of funded hours for the period you wish to claim with that provider. Please remember that this includes school nurseries/pre-schools, lower and special schools and any providers outside of the local authority.**
- A parent/carer agreement form must be completed for each term that you make a claim.
- The parent/carer agreement form, along with providing evidence of your child's identity, date of birth and current address (with correct postcode), is your provider's assurance that they have done what they can to minimise the possibility of fraudulent applications for funding. It will also help if double funding has occurred and the Council investigates the matter.
- The parent/carer agreement is a formal agreement between the provider and the parent/carer of the child.
- Parent/Carer agreement can only be broken or amended under the following circumstances:
 - If the family leaves the area
 - If the family's circumstances change i.e. new job / unemployment
 - Child with a long-term sickness
 - To accommodate changing shift patterns
 - Provision not appropriate to the child's needs
- If a parent/carer wishes to increase or change their child's attendance after headcount has taken place and this change is not covered by the above list of reasons the provider will be entitled to charge for these additional hours. If your child attends a school run provision and the change occurs after school census week, then the school is entitled to charge you for any additional hours.
- This Parent/Carer agreement form will be signed by the parent/carer and uploaded to a secure system by the provider to Central Bedfordshire Council.

DELAYED ADMISSIONS

Parents/carers should be aware that the scheme allows school nurseries / pre-schools to make appropriate arrangements for phasing intakes of eligible pupils in the first 4 weeks of term. As the child is on roll, he/she will be included on schools' claim for funding. Provided that admission is not delayed beyond the first 4 weeks of term, the school can claim the full amount.

Therefore, parents/carers who choose to send their child to a day nursery/private, voluntary or independent pre-school/childminder whilst waiting to be admitted to a school nursery/pre-school during the first 4 weeks of term will not be eligible for any additional funding. In these circumstances the childcare provider may charge the parent/carer for the hours accessed whilst the child is awaiting a phased intake into the school. If entry into the school is beyond the first 4 weeks of the term, the childcare provider may claim funding.
