## **Rainbow Pre-School and Extended Services**

### **Attendance Policy**

#### **Policy Statement**

Keeping accurate attendance records is not just bureaucracy. Monitoring attendance is important for all children, but especially for those in vulnerable groups. Knowing when children have attended pre-school provides vital information to keep children safe from harm and help tackle underachievement. Having clear accessible attendance records helps identify children at risk and helps multiagency teams to understand, assess and support the widest possible range of needs for a child and his or her whole family.

Regular attendance in the preschool program is very important for the child to become comfortable with a regular and consistent schedule, it builds confidence in a range of social skills and prepares children for full time education.

In the case of a communicable disease, such as chicken pox, measles, etc., it is extremely important that parents notify the pre-school immediately so that proper notification can be given to all families attending Rainbow Pre-school & Extended Services.

- If we have not heard from you after two consecutive sessions we will call you to establish why your child is absent.
- If we cannot make contact with a parent/carer we may use all the contact details and the emergency contacts you have given us to try to establish why your child is absent.
- If we are concerned about the ongoing welfare of a child we reserve the right to contact the necessary authorities.
- Fees remain payable during periods of absence, unless alternative arrangements have been agreed.
- We are required to notify Central Bedfordshire County Council where children in receipt of Nursery Education Funding are absent for more than 2 weeks in a term, they reserve the right to withdraw funding, in which case fees may be chargeable.

## Arrival times & Lateness

At pre-school we are trying to prepare children to be ready for school and develop all the skills they will need when they enter full time education, so it is essential for your child to learn to arrive on time and attend regularly.

Registration is 8.45am or 12.15pm and it is necessary for children to be punctual in order to receive key teaching and learning which take place at this time of the day. When children arrive late this can disturb group time with their key worker so please try to attend on time which benefits children and their routine.

Rainbow Pre-school & Extended Services adheres to the Early Years Foundation Stage Curriculum and acts on advice given in the Central Bedfordshire County Council local agreement & in conjunction with Ofsted.
